

Dear potential sponsor,

Genia's Jammin Juice is so excited to announce our upcoming wellness day and fitness event: the *"Eat Well, Be Well & Live Well Fitness Jam"*. We will be in the beautiful Sanford, Florida on Saturday, March 2, 2024, at Sanford Civic Center! Individuals from all walks of life are invited to join us on a journey towards a healthier and more vibrant lifestyle. There will be awesome wellness ambassadors, fitness boot camps, vendors, raffles, live music, informative presentations & much more!

We are striving to inspire and empower members of local communities to prioritize their well-being by adopting sustainable fitness practices, fostering positive mental health, and embracing holistic approaches to self-care. We are committed to providing educational resources and information related to fitness and healthy living. We believe that knowledge empowers individuals to make informed choices about their health and well-being.

To accomplish such a grand mission, we need notable organizations like yourself to become sponsor partners to our vision. This could be an awesome opportunity to gain brand exposure and network with members of Central Florida and other great brands! On the next page you will find our sponsorship tier options with a variety of perks that may suit your brand's vision for the remainder of 2023 - 2024. Please feel free to visit our website www.gjamminjuice.com/letsjam or reach out via email or phone. Thank you in advance for your support and consideration for partnership!
